## FROM THE PASTOR'S DESK :

Dear Friends,

Greetings in Jesus' wonderful name.

As I was meditating on the thought, what is the purpose of God in creating me on this earth? Rick Waven in his book "The Purpose driven life" clearing explains this question.

God knew what he was doing from the very beginning he decided from the outset to shape the lives of those who love him along the same lines as the life of his Son... We see the original & intended shape of our lives there in him. Romans 8: 29.

You were created to become like Christ. Like God, we are Spiritual beings. Our Spirits are immortal & will outlast our earthly bodies. We are intellectual to think & reason.

We are relational to give & receive real love. We have moral consciousness to discern right and wrong which makes us accountable to God .

Jesus is the exact likeness of God, the visible image of the invisible

God bless, you,

In Christ your Pastor,

**Salome Joshua**

God. God doesn't want you to become a god he wants you & we to become godly taking on his values, attitudes and character. God's ultimate goal for our life on earth is not comfort but character development.

Paul explains in Eph 4: 22 – 24, three responsibilities in becoming like Christ.

1. We must choose to let go of old ways of acting.
2. We must change, the way we think.
3. We must 'Put on' the character of Christ by developing new godly habits.

God uses his Word, People and Circumstances to mold us. Becoming like Christ is a long, slow process of growth. But starts with every step & everyday to start the Process.

God is far more interested in what we are then in what me do.

God is much more concerned about our character than our career, because we will take our character into eternity.
